## This Week

We are doing event planning: The Installation, possibly the Fair, the Banana Festival and possibly a eye exam event in October. What is our major food specialty going to be?

## Next Week

Working on it.

## Last Week

We were planning for the convention.

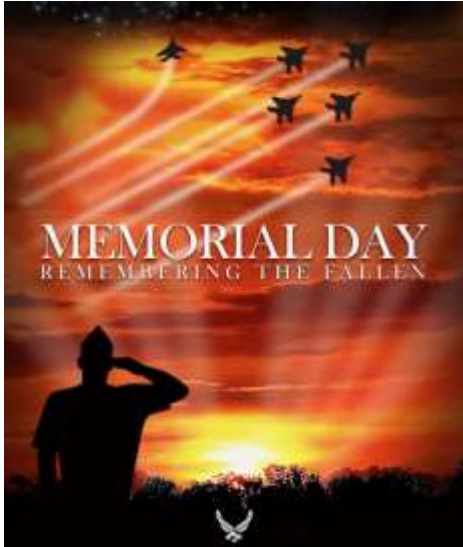

## Winners

No drawing held.

## Event Planning

What are we going to specialize in? At one time it was chocolate bananas, then popcorn, now some are talking of tritip sandwiches. As a club we need to have something that we do that others don't. That way we can be invited to participate in other club's events. Where do we store the equipment when not needed? We need a plan.
